Introduction

The 9th International Agri & Horti Technology Expo took place successfully from December 20 to 22, 2024, at CIAE Ground, Nabi Bagh, Berasia Road, Bhopal, Madhya Pradesh. Organized by Bharti Media & Events Pvt. Ltd., the event served as a vital platform for showcasing innovations, sustainable practices, and new technologies in the agriculture and horticulture sectors.

It was opened with a view to provide Agriculture, Horticulture, Dairy, Poultry, Food Health, and Govt. Schemes & policies related solutions under one roof, catering needs of both exhibitors and visitors. In this exhibition 9th International Agri & Horti Technology Expo hosted 200 satisfied exhibitors from India & more than 23,679 related visitors, showcasing a wide range of agri & horti related solutions including machinery, equipments, technology, storage, packaging and much more. It was not only confined to Indian players, thus the show also provided an opportunity for deep interactions between Indian and foreign players, along with this score of government officials, farmers, producers, manufacturers contributed to the success of exhibition.

The expo hosted an International Conference focusing on agriculture, horticulture, modern farming technologies, and government schemes to benefit farmers.

Ceremony

- The event was inaugurated by **Shri Ghanshyam Chandravanshi**, Honourable Member of Legislative Assembly, Madhya Pradesh. The ceremony began with the unveiling of the magazine "Uday Bharat", which highlighted unexplored farmer issues, agricultural challenges, and potential solutions.
- The final day featured the presence of **Shri Lakhan Patel**, Minister of Animal Husbandry & Dairy, Madhya Pradesh, praised the event's efforts in fostering Entrepreneurs showcased technologies aimed at improving productivity and reducing costs.

Exhibitors Review

Dhanuka Agritech Ltd.

Participating in the 9th International Agri & Horti Expo gave us an excellent platform to showcase Dhanuka's advanced portfolio of crop protection solutions, including insecticides, herbicides, and bio-stimulants. The event helped us connect with a wide range of growers and industry stakeholders, reinforcing our commitment to sustainable farming innovation. We thank the organizers for their outstanding professionalism and reach.

Krishak Bharati Cooperative Limited

Participating in the 9th International Agri & Horti Expo allowed KRIBHCO to engage directly with farmers and stakeholders, showcasing our full range of quality fertilizers, bio-fertilizers, and certified seeds. The event's cooperative-oriented platform perfectly aligned with KRIBHCO's mission of empowering the agricultural community. We deeply appreciate the organizers for creating such a visionary and farmer-centric forum.

Krushitek Pvt. Ltd.

We were very pleased to participate in the 9th International Agri & Horti Expo, which gave us a meaningful platform to showcase Krushitek's 100% natural, eco-certified organic inputs—such as micronutrients, biopesticides, and plant-growth promoters. The event helped us directly connect with progressive farmers and industry stakeholders who value sustainable agriculture. We thank the organizers for supporting a cleaner, greener future for farming.

BCH Electric Limited

Participating in the 9th International Agri & Horti Expo allowed BCH Electric to showcase our industry leading switchgear, contactors, and motor starters to a highly engaged audience. The event provided valuable exposure and deepened our connections with stakeholders from agriculture, irrigation, and allied industrial sectors. We commend the organizers for their professionalism and the platform they've built to highlight reliable, high-quality electrical solutions.

ASQI Technologies Pvt. Ltd.

The 9th International Agri & Horti Expo proved to be an excellent platform for ASQI Technologies to showcase our climate-smart farming and IoT-based monitoring solutions. The event enabled meaningful interactions with progressive farmers, FPOs, and agri-enterprises interested in sustainable and data-driven agriculture. We appreciate the organizers for curating such an impactful and forward-looking expo.

National Fertilizers Limited

NFL's participation in the 9th International Agri & Horti Expo was highly valuable for us — it provided a strong platform to showcase our neem-coated urea, bio-fertilizers, and other sustainable agri-inputs. We were able to engage directly with farmers, agri-dealers, and extension stakeholders who genuinely appreciate science-driven fertilizer solutions. We thank the organizers for curating an event that aligns perfectly with our mission to support eco-friendly and efficient agriculture.

Jain Irrigation Systems Ltd

Jain Irrigation Systems Ltd. found the 9th International Agri & Horti Expo to be an outstanding platform for demonstrating our latest drip irrigation, micro-sprinkler systems and water-conservation technologies. The quality of visitors—including progressive farmers, irrigation dealers and agri-technology partners—was incredibly high, allowing us to forge meaningful relationships. We deeply appreciate the organizers for creating a forward-looking expo that truly supports sustainable agriculture and water management.

Honda India Power Products Ltd.

Honda India Power Products Limited greatly valued the opportunity to participate in the expo, where we showcased our reliable water pumps, engines, and portable generators built on decades of engineering excellence. The engagement with farmers and agribusinesses reaffirmed our commitment to "Empower People, To Do Better" through sustainable and high-performance power solutions. We thank the organizers for creating a platform that bridges innovation with the needs of the agricultural community.

Kothari Irrigation (Kothari Group)

Kothari Irrigation brought great value to the expo with their complete micro-irrigation portfolio — from drip lines to sprinklers and automation systems — helping us highlight efficient water-management solutions. The engagement with progressive farmers and agribusiness partners underlined the demand for sustainable irrigation technologies. We sincerely appreciate the organizers for providing a premium platform that aligns with Kothari's vision of smart, resource-efficient agriculture.
